

# Alex M.

16 YEARS OLD

*“Sundays are for watching the Steelers!”*

Alex is very athletic. He enjoys playing several different sports, but football & basketball are his favorites! He’s also a fan of the Cavs & Buckeyes. Alex enjoys drawing and hanging out at the community swimming pool. Alex also loves to eat – Subway is his top pick! He is a good student and hopes to become an engineer someday. Alex would love to vacation in Florida so that he could see the ocean for the very first time.

Alex has struggled in his relationships with maternal figures. However, he is doing better with the current foster mother. He does best when he feels like his input is valued. Alex would ideally like to live in the country – possibly on a farm – where he could be surrounded by animals such as horses, chickens, dogs and cats. He dreams of a family who will take him to see zoos all around the country. Alex says that what’s most important to him is having a family who will treat him with respect, give him choices and will be there for him unconditionally. Could your family provide him with the forever home for which he longs?
