

Alex Age: 12

Alex loves to carry around his stuffed puppy "Freddy Fred" and loves playing video games. His favorite class is math since he gets to play cool math computer games. Alex would love to be a painter someday, but his dream is to become a WWE world champion. Alex hopes to visit Kalahari in the future. His favorite food is T-bone steak. Alex likes to make his own tater tots and adds a secret ingredient to them to make them delicious.

Alex has a ton of energy and will need a family who can keep up with him. He desires a mom and a dad but will also consider other family structures. Alex wants a family who is "caring, loving and not too harsh!" Alex would enjoy the attention of being an only child but is open to having a younger brother who likes video games. Alex is willing to attend church as long as it's fun. He really wants a pet dog and enjoys working with horses in a therapeutic setting. Alex hopes his new family will take him to Disney someday.
