

Alex

13 YEARS OLD

"I want my next move to be my last!"

Alex is an inquisitive child with an amazing smile! He enjoys playing several different sports, but football & basketball are his favorites! Alex also loves to eat. He says he could live on meatloaf and steak! Alex would love to vacation in Florida so that he could see the ocean for the very first time. Alex hopes to become a truck driver someday so he can see the world!

Alex would like to be adopted by a mom and dad but is open to other family structures. He would like to live in the country – possibly on a farm – where he could be surrounded by animals such as horses and chickens. He dreams of having family movie night or hopping in the car to travel to a surprise location. Alex says that when he thinks of family, he thinks of love, relationships and people who will be there for him unconditionally. Could your family provide him with the forever home for which he longs?
