

Amber

15 YEARS OLD

"I have a blast at Zumba & love yoga too!"

Amber also enjoys playing softball. She does value her time indoors as well and can always be found with a good book in her hand. Amber is a thrill seeker. She can't wait for the next time she'll be able to ride the roller coasters at Cedar Point. Amber is going into 10th grade. Her favorite subject is math since it comes easy to her. She hopes to become a counselor someday to help other kids in foster care. Amber's favorite foods are cheese pizza and fries.

Amber really wants to find a family she can trust. She desires a family who has the time to devote to help her when she needs it. Amber feels she would benefit from at least one stay-at-home parent but is open to any family structure. She was raised in the Nazarene faith and would love to attend any Christian church with her forever family. She also looks forward to family movie night, playing cards or shopping trips to the local mall. She really misses her siblings and needs a family who would be committed to maintaining those relationships. Are you the family who can help make that happen?
