

# Josh

17 YEARS OLD

*"I love playing drums in marching band!"*

Josh is a very talented percussionist. His favorite instrument to play is the marimba. He would love to be able to further his musical career by playing the drums in a college marching band. Josh's other interests include swimming and watching SpongeBob. His favorite sports teams are the Celtics and 49ers. Josh enjoys chemistry class the most and hopes to be an engineer someday. He would love to travel to California. Josh's favorite food is tuna noodle casserole.

When Josh thinks of family, he thinks of love, happiness and kindness. He desires a family who will allow him to be a typical teenager. To Josh, this means being able to hang out with friends and having a later bedtime. Josh prefers a single parent home or a family with a mom and a dad. He would love to remain in NE Ohio so that he can maintain the many connections he has with birth family and friends. Josh prefers a home where there are other teens. He would like to attend church and hopes to have a pet dog. Josh would love to join his new family on a camping trip or on a visit to Cedar Point. Can you provide the guidance Josh will need as he transitions to adulthood?
