

Mercades

12 YEARS OLD

"I dream of being an actress on TV!"

Mercades loves to get wrapped up in a good book or movie and hopes that she can portray a character herself one day! She requires some extra help at school but enjoys attending. Her favorite subject is science. Mercades likes to play dress-up and her favorite shows are all on the Disney Channel. She loves stuffed-crust pizza and dreams of the day when she will be able to visit the ocean for the first time!

Mercades desires a family with a mom and a dad. She would like to be an only child but could also be placed in a home where there are other girls. Mercades tends to connect quickly to parent figures. She is very affectionate and likes to please the adults in her life. She is socially immature but has recently decided to give away her dolls in exchange for more "big kid toys." Mercades would like to live in a neighborhood where she can swim and watch movies with her forever family. Is your family ready to dive in and take a chance on this special girl?
