D. Roles and responsibilities for handling emergency cases of child abuse, neglect, and dependency

1. PCSA's Response Procedure

When CCDJFS determines that a report is emergent, CCDJFS shall attempt a face-to-face contact with the child subject of the report/alleged child victim within one hour of the receipt of the report.

If **CCDJFS** identifies an active safety threat at any point during the assessment/investigation, the caseworker or supervisor shall implement a safety response.

A Safety Plan is enacted when any of the following criteria apply:

The physical condition of the child's home poses a safety threat to the child

There are allegations are of sexual abuse and the alleged perpatrator (AP) lives in the child's home.

There are allegations are of a baby testing positive for illegal substances at birth (excluding marijuana).

Child has been diagnosed with a significant physical injury and AP is in the home and/or is unknown.

Parent or caretaker's plan results from questionable motives (such as law enforcement intervention)

When the parent or caretaker fails to utilize his/her protective capacities in a manner that he/she initiated, without the prompting of any other individual or government entity (e.g., law enforcement or CSB agency)

Any other factor in safety assessment indicates that there is a likelihood of immediate danger of serious harm to the child.

Prior to a safety plan being enacted, the children services worker will complete a SACWIS search for any substantiated or indicated dispositions and complete a local law enforcement check for all adult house hold members by calling the local law enforcement entity.

2. Law Enforcement and CAC of Mahoning Valley Response Procedure

All referrals from Child Protective Services and Law Enforcement will be accepted for evaluation at the CAC, with no additional criteria required.

3. Children in Need of Medical Attention Special Response Procedures

According to the Ohio Pediatric Sexual Abuse Protocol, revised August 2009: Children must be seen on an emergency basis if trace evidence needs to be collected or if there are other indications requiring an emergency evaluation. Trace evidence must be collected, using the State of Ohio approved evidence collection kit, when either of the conditions listed below areis true.

- 1. The last episode of sexual abuse/assault occurred within the past 72 hours for patients 0-15 years old, or within the past 96 hours for patients 16 years or older, and
- a. The history indicates contact with the alleged perpetrator's genitalia, or
- b. The history indicates contact with the alleged perpetrator's semen, blood or saliva, or
- c. The history indicates a struggle that may have left skin or blood of the alleged perpetrator's to be lodged under the victim's fingernails, on the victim's body or clothing, or
- d. The victim's clothing or body may be covered by trace evidence (debris, fibers, etc).) from the alleged crime scene.

Evidence can be collected up to 72 hours after an assault (in rare cases beyond 72 hours).

2. The history of contact with the alleged perpetrator is unclear (i.e., child too young to provide a history or a history is unavailable) and there is reason to believe that conditions described in number 1 above are true.

Cases satisfying the criteria listed above are to be classified as emergent during business hours of the CAC, and will take precedence over a regularly scheduled child or if necessary the child will be sent to Akron Children's Hospital Emergency Department. Cases not classified as emergent will follow normal referral guidelines of the CAC. If an emergent case arises outside the business hours of the CAC, the child will be evaluated at the nearest children's hospital emergency department.

E. Standards and procedures to be used in handling and coordinating investigations of reported cases of child abuse and/or neglect

Methods to be used in interviewing the child who is the subject of the report and who allegedly was abused and/or neglected, alleged perpetrators, and other family members and witnesses/collaterals will be discussed and agreed upon in advance by the **CCDJFS** and the corresponding law enforcement agency.

To the extent possible investigative interviews of children who are the alleged victims of reports of abuse and/or neglect where criminal activity is suspected, including reports of human trafficking, are cooperatively planned by **CCDJFS** and the law enforcement agency of the jurisdiction.

Every effort will be made by the signatories of this MOU to prevent or reduce duplicate interviews of the victims or witnesses. When feasible, to reduce trauma complete only one interview with the alleged child victim/ child subject of the report. **CCDJFS** agrees to be the lead agency in scheduling the time, place, and location of joint interviews as well as notifying all participants.

Before starting the interview, the participants will determine who is to be present in the room, who will be asking the questions, what areas are to be covered, and who will be the scribe for the interview. Audio and video recordings may be used when necessary.

When law enforcement or the prosecutor's office interviews a participant in a criminal investigation and a representative of **CCDJFS** is not present, the interviews conducted by law enforcement or the prosecutor's office may be used by **CCDJFS** to meet the agency investigative requirements set forth in rule. Law enforcement or the prosecutor's office will forward a written summary of the interview to **CCDJFS** upon request.

The CCDJFS agrees not to proceed without the advice and consent of the prosecutor's office when a criminal investigation is being conducted concurrently. CCDJFS will not jeopardize a criminal investigation but will work with law enforcement to protect the safety of the child victim or witnesses. Law enforcement will be the lead agency in the collection of forensic evidence and will coordinate with the necessary facilities to obtain and store such evidence properly.

CCDJFS shall follow up with law enforcement to ensure timely assistance and to complete mandated assessment/investigation activities within the forty-five-day timeframe. The timeframe can be extended in special circumstances to a maximum of sixty days if law enforcement needs additional time, however, CCDJFS must make a disposition within the sixty-day timeframe.

- Contact the law enforcement agency for entry into the National Crime Information Center (NCIC) database if the child is in CCDJFS custody.
- Contact the National Center for Missing and Exploited Children (NCMEC) if the child is in CCDJFS custody.

Upon request of law enforcement, **CCDJFS** shall provide assistance and cooperation in the investigation of a missing child, including the immediate provision of any information possessed by **CCDJFS** which may be relevant in the investigation.

Law enforcement shall notify **CCDJFS** upon learning that a minor child who is alleged to be in the child services system or who is known or suspected to be abused or neglected has either run away from or is otherwise missing from the home or the care, custody, and control of the child's parents, custodial parent, legal guardian, or non-custodial parent.

I. Standards and procedures for removing and placing children

1. Emergency

Emergency removal of a child from home is necessary when the child is at imminent risk of harm and in need of protection from abuse, neglect, or dependency.

An ex parte order may be issued with or without a complaint being filed. Prior to taking the child into custody the judicial fact-finder must make a determination that reasonable efforts were made to notify the child's parents, guardian, or custodian, or there were reasonable grounds to believe doing so would jeopardize the safety of the child, or lead to the removal of the child from the jurisdiction.

Juv. R 6 orders can be issued in-person, by phone, video conference, or otherwise. Reasonable grounds must exist to believe the child's removal is necessary to prevent immediate or threatened physical or emotional harm.

Findings must be made that the agency either did or did not make reasonable efforts to prevent the removal of the child from their home with a brief description of services provided and why those did not prevent the removal or allow the child to return home, and if temporary custody is granted to the PCSA an additional finding that it would be contrary to the welfare and best interest of the child to continue in the home. If granted, a shelter care hearing must be scheduled the next business day (but not later than seventy-two hours) after the emergency

order has been issued. If the ex parte motion is denied the matter must be set for a shelter care hearing within ten days from the filing date.

No township or municipal law enforcement officer shall remove a child (See Juvenile Rule 6) about whom a report is made from the persons having custody of the child without consultation with CCDJFS/CSD, unless in the judgment of the officer, immediate removal is considered essential to protect the child from further abuse or neglect. If the child is suffering from illness or injury and is not receiving proper care, or is in immediate danger from his surroundings the officer will immediately place the child under the care of CCJDFS/CSD and provide Children Services with a written report within 24 hours for the Juvenile Court Probable Cause Hearing.

2. Non-emergency

Upon receiving a report alleging child abuse, neglect, and/or dependency, **CCDJFS** commences an investigation in accordance with the requirements of section 2151.421 of the ORC. If the final case decision rises to the level of court involvement, **CCDJFS** shall approach the juvenile court and file a complaint alleging the child(ren) to be abused, neglected, or dependent per ORC 2151.27. The matter will be set for a shelter care/preliminary protective hearing expeditiously by the juvenile court.

Reasonable oral or written notice of the time, place, and purpose of the hearing must be provided to the parents, guardian, or custodian unless they cannot be found. The same parties are also entitled to notification that a case plan may be prepared, the general requirements, and possible consequences of non-compliance with the case plan.

The parties will be served with the complaint and summons to appear before the juvenile court. Unrepresented parties are advised by the juvenile court of their right to counsel. Counsel is appointed for children when abuse is alleged. A Guardian Ad Litem is appointed to all children subject of abuse, neglect, or dependency proceedings. A separate guardian ad litem may be appointed to minor parents or parents who appear mentally incompetent.

The judicial fact-finder must determine whether there is probable cause that the child is abused, neglected, or dependent; the child is in need of protection, whether or not there is an appropriate relative or kin willing to assume temporary custody of the child, reasonable efforts were made by **CCDJFS** to prevent the removal or continued removal or to make it possible for the child to return home safely, and for temporary custody orders to **CCDJFS** that it would be contrary to the welfare and best interest of the child to continue in the home. All other temporary orders should be requested and considered at this time.

In many cases, CCDJFS will work with a family where the child remains in their own home. In some circumstances the provision of these services is insufficient to protect the child from serious harm. For these non-emergency cases it becomes necessary to petition the court to seek the removal of a child from the child's home for their safety.

J.	Disaster Plan
	☐ Not Applicable (if selected this section is not relevant.)

Columbiana County Department of Job and Family Services commits itself to continue essential Children Services functions in the event of an emergency or disaster in order to ensure that children are in a safe environment.

Activation of the Columbiana County DJFS disaster response is the duty of the Agency Director or designee. The following are considerations for activation of a disaster response:

- * Declaration of state of emergency by the President of the United States, the Governor of Ohio, or other leader(s)
- * Need for action by the Columbiana County DJFS

Child safety is the highest priority to be attended to during and after a disaster. To assure that essential functions are covered, staff may need to take on functions not normally part of their daily duties. All Social Worker 2's , the Children Services Administrator and the Children Services Supervisors are deemed to be essential personnel and could be called upon to perform any casework or support function as determined by the Director, designee, or supervisor. Essential functions include:

- * Intakes: Ensuring reports of CA/N are received and assigned.
- * Investigations: Responding to reports of CA/N. Includes assessing child(ren)'s safety and managing threats of harm. If child(ren) are not safe at home an alternative plan must be developed and/or court action initiated.
- * On-going cases: Continuing mandated face to face contacts to assess the child(ren)'s safety, services the family may need and make referrals to the appropriate resources should the family be in need of the service. If child(ren) are not safe at home an alternative plan must be developed and/or court action initiated. Court Hearings unless otherwise determined by the court.
- * Children in agency custody: Ensuring safety of children in agency custody. Assessment of child safety as needed for children in agency custody or care. Determining that child(ren)'s and caregiver safety needs are met. The biological family of the child in custody will be contacted to share information on child/family situation related to the disaster.

IV. TRAINING

Cross system training is to be provided to and a plan developed by all signatories of this MOU to ensure parties understand the mission and goals identified in this MOU and are clear about the roles and responsibilities of each agency. Periodic trainings events will be coordinated by **CCDJFS** as the lead agency and notification of the trainings will be provided to the signatories of this

agreement. By agreeing to participate in the county MOU process signatories express a commitment to attend training opportunities when presented.

V. CONFLICT RESOLUTION

■ Not Applicable (if selected this section is not relevant.)

When a conflict occurs among county partners, the effect is often broader than the individuals directly involved in the dispute. As disputes are often inevitable this MOU must set forth the local process by which disputes will be resolved so as not to disrupt program effectiveness.

As the mandated agency responsible for the provisions of child protective services, the ultimate decision on how to handle abuse, neglect investigations lie with **CCDJFS**. Every effort will be made to take in to account other subscribers' requests and concerns relating to services.

Criminal investigations and prosecution remain the responsibility of the prosecuting attorney and appropriate law enforcement agencies. **CCDJFS** will assist these agencies, but in no way, interfere or jeopardize a criminal investigation or prosecution.

For cases which come before the court as it relates to decisions and orders, the Juvenile Judge's rulings are final.

In the event internal conflict resolution efforts fail and a statutorily required participant refuses to sign or engage in the MOU process the PCSA is to consult with the County Prosecutor to explore available remedies.

VI. CONFIDENTIALITY STATEMENT

Any report made in accordance with ORC section 2151.421 is confidential. Both the information and the name of the person who made the report under section 2151.421 shall not be released to the public for use and shall not be used as evidence in any civil action or proceeding brought against the person who made the report.

Children services records are not public records and are exempt from Ohio's Sunshine Laws under ORC 149.43. Children Services records are confidential in nature and should be treated accordingly.

ORC section 2151.423 requires **CCDJFS** to disclose confidential information discovered during an investigation conducted pursuant to section 2151.421 or 2151.422 of the Ohio Revised Code to any federal, state, or local government entity that needs the information to carry out its responsibilities to protect children from abuse or neglect. Likewise, law enforcement, **CAC of Mahoning Valley**, and

other entities are expected to release information to **CCDJFS** for the purpose of carrying out its responsibility of protecting children from abuse and/or neglect.

The confidentiality provisions of this MOU will survive the expiration or termination of this agreement.

Information regarding the report and/or investigation of alleged abuse or neglect may be shared only when dissemination is authorized by OAC section 5101:2-33-21 and in accordance with the procedures outlined in OAC section 5101:2-33-21. The unauthorized dissemination of confidential information is a misdemeanor and is punishable by law.

In the event of unauthorized dissemination of information, the party who learns of the breach of confidentiality will notify the Director of **CCDJFS** as soon as possible. The notification will be sent to the Director in writing describing the circumstances surrounding the breach. The notification will specify the confidential information released, who is responsible for disseminating the confidential information, how it was disseminated, and the parties who have access to the information without authorization. The Director of **CCDJFS** shall then refer this information to the prosecutor at their discretion.

VII. TERMS AND CONDITIONS AND STATUTORY REQUIREMENTS

This MOU must be retained for a period of at least seven years per the state of Ohio records retention schedule. Please refer to **CCDJFS** records retention policy for information on forms to be completed and processes to be followed for the destruction of records.

Consultation among the signatories will be done in person, whenever practicable. When an in-person meeting is not possible the signer may employ the use of alternative methods of communication including but not limited to MS Teams, Skype, Zoom, or telephone as agreed upon by all members. When CCDJFS is seeking consultation with a signer of this memorandum regarding an active referral of child abuse and/or neglect and has met in person or spoken with another signer, CCDJFS will make written contact with the appropriate agency by the next working day to request the needed information and make the referral in writing.

The required members shall review and evaluate the terms and conditions of the MOU every biennium. All required members to the MOU will sign the new or updated agreement. **CCDJFS** is to submit the MOU to the Board of County Commissioners for review and approval with enough time for any revisions to be made prior to December thirty-first of the year.

This MOU does not inhibit good faith compliance with a subpoena issued by a Grand Jury or in a criminal case. Dissemination of records pursuant to the State's discovery obligations is authorized. However, work product and other privileges are expected to be upheld.

Failure to follow the procedure set forth in the MOU by the concerned officials is not grounds for, and shall not result in, the dismissal of any charges or complaint arising from any reported case of abuse or neglect or the suppression of any evidence obtained as a result of reported child abuse or child neglect and does not give, and shall not be construed as giving, any rights or any grounds for appeal or post-conviction relief to any person.

This MOU shall be governed by and construed in accordance with applicable state and federal laws and regulation. In the event any portion of this MOU is inconsistent with state or federal law, that portion shall be without effect as if stricken from the document and the remaining portion shall remain in full force and effect.

VIII. SIGNATURES OF EACH PARTICIPATING AGENCY: The number of required signatures will vary widely by county. It will be helpful to have the signatures take up the entirety of 1 page so counties can copy it to use for as many signature pages as needed."

The signature section authorizes the participating parties of the agreement to begin enactment of MOU protocols and activities. The participating members agree to follow the terms of this MOU and to meet at minimum once every biennium to review terms and conditions, evaluate if updates are needed, and sign a new or amended MOU

If any individual serving as a signatory changes mid-term, **CCDJFS** is to provide the new required member with the current memorandum. The new member remains bound by the most recently approved version of the memorandum. Their signature is to be obtained and submitted on or before the next biennial review.

A required member to this agreement may terminate their involvement in the MOU for good cause upon giving reasonable written notice to the other required members in this MOU. CCDJFS requires a 30 written notice speaking to the intent to terminate involvement.

The final invoice must be received by the Agency by the close of business at 4:00 p.m. on January 30, 2024.

The Agency Fiscal Department has the final authority to determine whether an invoice is received timely and accurately. There will be no extension to the time limitations for invoices which are received timely but which are not accurate.

For accurate invoices received timely and in accordance with the terms of this Contract, Agency will authorize payment within thirty (30) days after receipt of the invoice. Agency will only pay for those services authorized under this Contract. Article 4 - Availability of Funding

Agency represents that it:

- Has adequate funds to meet its obligations under this Contract;

- Will use its best efforts to obtain the appropriation of any necessary funds during the term of the Contract.

However, Contractor understands that availability of funds is contingent on funding sources external to the State of Ohio, such as federal funds; appropriations made by the Ohio General Assembly; awards by the Ohio Department of Job and Family Services; and appropriations by the Columbiana Board of County Commissioners.

If funds are not appropriated and available for the continuance of the goods or services provided by the Contractor, Agency may terminate the products or services provided by the Contractor at the end of the period for which funds are available. Agency will notify the Contractor at the earliest possible time of any products or services affected by shortage of funds. No penalty shall accrue to Agency in the event this provision is exercised, and Agency shall not be obligated or liable for any future payments due or for any damages resulting from termination under this provision.

Article 5 - Duration of contract

A. This Contract will be effective from January 1, 2023, the execution of this Contract, or the certification of the availability of funds (below), whichever is later, through December 31, 2023, inclusive, unless otherwise extended, as provided in Article 6 of this contract, or terminated as provided in Article 7 of this Contract.

B. Notwithstanding the foregoing, it is expressly understood by both Agency and Contractor that this contract will not be valid and enforceable until the Columbiana County Auditor certifies pursuant to Section 5705.41 (D), Revised Code, that the amount required to meet the Agency's obligation or, in the case of a continuing contract to be performed in whole or in part in an ensuing fiscal year, the amount required to meet the obligation in the fiscal year in which the contract is made, has been lawfully appropriated for such purpose and is in the treasury or in process of collection to the credit of an appropriate fund free from any previous encumbrances.

C. Subject to any extension of this Contract under Article 6, below, Contractor expressly agrees to neither perform work nor submit an invoice for payment for work performed under this Contract prior to the effective date of this Contract or subsequent to the termination date of this Contract.

Article 6 - Amendment of Contract

This Contract may be amended by the mutual agreement of all parties. All amendments must be in writing and must be in compliance with all applicable budgetary and legal requirements.

Article 7 - Termination

A. Either party may terminate this Contract upon sixty (60) days written notice to the other party.

B. Notwithstanding Article 5-A, of this Contract, Agency may terminate this Contract immediately upon delivery of written notice to Contractor if Agency has discovered any illegal conduct on the part of Contractor, any violation by Contractor of Articles of this Contract, or loss of funding as noted in Article 4 of this Contract.

C. Upon receipt of notice of termination, Contractor agrees that it will cease work on the terminated activities under the Contract, terminate all subcontracts related to such

terminated activities, take all necessary steps to limit disbursements and to minimize costs, and furnish a report as of the day of receipt of the notice of termination describing the status of all work under the Contract, including, without limitation, results accomplished, conclusions reached, and other such matters as Agency may require.

D. In the event of termination under this Article 7 of the Contract, Contractor will be entitled to compensation, upon submission of a proper invoice, for the work performed prior to receipt of notice of termination or suspension, which will be calculated by Agency on the rate set forth in Article 3, above, less any funds previously paid by or on behalf of Agency. Agency is not liable for any further claims, and the claims submitted by the Contractor are not to exceed the total amount of consideration stated in this Contract.

E. Upon breach or default of any of the provisions, obligations or duties embodied in this Contract, Agency may exercise any administrative, contractual, equitable, or legal remedies available, without limitation. The waiver of any occurrence of breach or default is not a waiver of subsequent occurrences, and Agency retains the right to exercise all remedies hereinabove mentioned.

F. If Agency or Contractor fails to perform an obligation or obligations under this Contract and thereafter such failure(s) is (are) waived by the other party, such waiver is limited to the particular failure(s) so waived and shall not be deemed to waive other failures hereunder. Waiver by Agency is not effective unless it is in writing signed by the Agency director.

Either party may terminate this Contract by notice, in writing, delivered upon the other party before the effective date of termination. Should the Contractor wish to terminate this Contract, the Contractor must deliver the notice of termination sixty (60) days before the effective date of termination. Should the Agency wish to terminate this Contract, it may do so immediately upon delivery of the termination notice.

The parties further agree that should this Contract be terminated, or should the Contractor become unable to provide the services agreed to in this Contract for any reason, such service as the Contractor has provided up to the date of termination or of its inability to continue the terms of this Contract shall be eligible to be billed and paid according to the provisions of Article 3 of this Contract. The parties further agree that should the Contract be terminated or should the Contractor become unable to complete the work requested in this Contract for any reason, such work as the Contractor has completed up to the date of termination or of its inability to continue the terms of this Contract shall become the property of Agency.

The Agency shall not be liable to tender and/or pay to the Contractor any further compensation after the termination of the contract or the Contractor's inability to complete the terms of the Contract, which date shall be the date of termination, unless extended upon request by the Agency. Notwithstanding the above, the Contractor shall not be relieved of liability to the Agency for damages sustained by the Agency by virtue of any breach of the Contract by the Contractor. The Agency reserves the right to legal, administrative, and contractual remedies for damages sustained by the Agency by virtue

of any breach of the Contract by the Contractor. The Agency may withhold any compensation to the Contractor until the amount of damages due the Agency from the provider is agreed upon or otherwise terminated.

Article 8 - Records Availability and Retention

All books, documents, papers, and records which are directly pertinent to this Contract, including supporting documentation for invoices submitted to the Agency by the Contractor, shall be made available by Contractor for audit by the Agency, the state of Ohio (including, but not limited to, the Ohio Department of Job and Family Services, the Auditor of State of Ohio, the Ohio Inspector General, and duly appointed law enforcement officials), and agencies of the United States government for the purpose of making audits, examinations, excerpts, and transcriptions.

All records related to costs, work performed and supporting documentation for invoices submitted to Agency by Contractor must be retained for a minimum of five (5) years after the termination of the Contract, or as otherwise provided by any minimum retention requirements specified by applicable state or federal law. If any litigation, claim, negotiation, audit or other action involving the records has started before the expiration of the five (5) year period, the records must be retained until the completion of the action and resolution of all issues that arise from it, or until the end of the regular five (5) year period, whichever is later.

Article 9 - Confidentiality

Contractor agrees that all records, documents, writings or other information produced by Contractor under this Contract, and all records, documents, writings or other information used by Contractor in the performance of this Contract are treated according to the following terms:

A. All Agency information which, under the laws of the state of Ohio or under federal law, is classified as public or private will be treated as such by Contractor. Where there is a question as to whether information is public or private, Agency will make the final determination.

B. All Contractor information which is proprietary will be held to be strictly confidential by Agency. Proprietary information is information which, if made public, would put Contractor at a disadvantage in the marketplace and trade of which Contractor is a part.

Contractor is responsible for notifying Agency of the nature of the information prior to its release to Agency. Failure to provide such prior notification is a waiver of the proprietary nature of the information, and a waiver of any right of Contractor to proceed against Agency for violation of this Contract or of any proprietary or trade secret laws. Such failure shall be deemed a waiver of trade secret protection in that the Contractor will have failed to make efforts that are reasonable under the circumstances to maintain the information's secrecy. Agency reserves the right to require reasonable evidence of Contractor's assertion of the proprietary nature of any information to be provided. Agency will make the final determination as to whether any or all of the information identified by the vendor as a trade secret is, in fact, a trade secret.

C. Contractor agrees that it will not use any information, systems, data, or records made available to it for any purpose other than to fulfill the contractual duties specified herein. Contractor agrees to be bound by the same standards of confidentiality that apply to the employees of the Agency, ODJFS and the State of Ohio. The terms of this Section will be included in any subcontracts executed by the Contractor for work under this Contract. Contractor agrees that any data made available to Contractor by Agency shall be returned to Agency not later than 90 days following termination of the Contract and shall certify that no copies of source data were retained by Contractor. Contractor hereby agrees to current and ongoing compliance with 42 USC Sections 1320d through 1320d-8 and the implementing regulations found at 45 C.F.R. Section 164.502 (e) and Section 164.504 (e) regarding disclosure of protected health information under the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

Article 10 - Conflict of Interest/Ethics

Contractor agrees that Contractor will not promise or give to any agency officer, employee or agent anything of value, including employment or promise of employment within the scope of his or her job duties. Contractor will not ask an officer, employee or agent of the agency to violate any requirements of the Columbiana County code of standards of conduct requirements and will refrain from activities which could result in violations of this requirement.

Contractor agrees that it will refrain from promising or giving to any agency officer, employee, or agent anything of value that is of such a character as to manifest a substantial and improper influence upon the officer, employee, or agent with respect to the officer's, employee's, or agent's duties, will not solicit agency officers, employees, or agents to violate the agency's code of standards of conduct or Sections 102.03, 102.04, 2921.42 or 2921.43, Revised Code, and will refrain from conflicts of interest, whether direct or indirect.

Contractor agrees to certify that it is in compliance with and will maintain compliance with the requirements of sections 102.03, 102.04, 2921.42, and 2921.43 of the Revised Code and the portions of the Agency code of standards of conduct applicable to contractors, and that the contractor will promptly notify the Agency of any newly arising conflicts of interest or potential violations of state ethics laws.

Article 11 - Independent Contractor

Contractor agrees that no agency, employment, joint venture, or partnership has been or will be created between the parties hereto pursuant to the terms and conditions of this Contract. Contractor also agrees that, as an independent contractor, Contractor assumes all responsibility for any federal, state, municipal, or other tax liabilities along with workers compensation, unemployment compensation, and insurance premiums which may accrue as a result of compensation received for services or deliverables rendered hereunder.

Contractor agrees that it is an independent contractor for all purposes including, but not limited to, the application of the Fair Labor Standards Act, the Social Security Act, the Federal Unemployment Tax Act, and the Federal Insurance Contribution Act, provision of the Internal Revenue Code, Ohio Tax Law, Workers Compensation Law, and

Unemployment Insurance Law. Contractor certifies that all approvals, licenses, or other qualifications necessary to conduct business in Ohio have been obtained and are operative. If at any time during the contractual period Contractor becomes disqualified from conducting business in Ohio, for whatever reason, Contractor must immediately notify Agency of the disqualification and immediately cease performance under the Contract.

Article 12 - Limitation of Liability: Contractor Duties

A. Contractor agrees to hold Agency, and any official or employee of Agency acting in his or her official capacity harmless from any and all claims for injury resulting from activities in furtherance of the work hereunder. Contractor shall reimburse the Agency for any judgments for infringement of patent or copyright rights. Contractor agrees to defend against any such claims or legal actions if called upon by Agency to do so. Contractor will not permit any lien or claim to be filed or prosecuted against the county or Agency on account of any labor, services, or materials furnished. If Contractor fails, neglects, or refuses to make prompt payment of any claims for labor, services, or materials furnished to Contractor by any person in connection with this Contract as such claims become due, the proper officer or officers representing Agency may, but are not obligated, pay such claims to the person furnishing the labor or services and charge the amount of the payment against the funds due or to become due Contractor by reason of this Contract.

B. Agency's liability for damages, whether in contract or in tort, may not exceed the total amount of compensation payable to Contractor under Article 3 of this Contract or the amount of direct damages incurred by Contractor, whichever is less. In no event is Agency liable for any indirect or consequential damages, including loss of profits, even if Agency knew or should have known of the possibility of such damages.

C. Contractor agrees to defend any suit or proceeding brought against Agency, any official or employee of Agency acting in his or her official capacity, or Columbiana County on account of any alleged infringement of any patent or copyright arising out of the performance of this Contract, including all work, services, materials, reports, studies, and computer programs provided by Contractor. Agency will provide prompt notification in writing of such suit or proceeding; full right, authorization, and opportunity to conduct the defense thereof; and full information and all reasonable cooperation for the defense of same. Agency may participate in the defense of any such action.

Contractor agrees to pay all damages and costs awarded against Agency, any official or employee of Agency in his or her official capacity. If any information and/or assistance is furnished by Agency at Contractor's written request, it is at Contractor's expense.
