

Meet Henry! Henry is 13 years of age. He is a joy to be around and loves being outside. Henry's biggest enjoyment is his nerf guns. Henry can be described as having a rough exterior and not afraid to speak what's is on his mind but under his exterior is a kindhearted, good-natured child. He craves connection and thrives with stability.

Henry's forever family will need to be willing to maintain important relationships with his friends, siblings, and other important people currently in Henry's life. Henry has a strong support network that want to see him thrive and achieve his full potential. They will need to be willing to continue to meet his unique needs on an ongoing basis.
